Welcome to the Texas Brangus Breeders "Blazing A New Trail" Sale. The Tenroc Ranch at Salado is next to none when it comes to first class sale facilities that are convenient with easy access.

The consignors are to be commended for turning loose of some super high quality females with cutting edge genetics. This sale will feature quality, not quantity! You will find show quality heifers as well as donor prospects and also one herd sire prospect sired by the very popular Presidente bull.

Make plans to attend the seminars, sales and dinner and dance at the beautiful Tenroc Ranch facility. If I can be of any assistance, please do not hesitate to call.

Sincerely,

Gary Bruns

Breeding: Open

The lineage of Ms VCC Rowdy 151X represents four decades of proven production throughout our breed. Her dam, 151L, is a second generation female that contains two of the IBBA's Sire of the Year — Impact and Exacto. The paternal great-grandam, Lanna 106/8, of 151L, was one of "The Sisters" at VCC and the dam of the original Atlas.

We have always appreciated 151X's muscle pattern, depth of body, and moderate frame since her birth. She contains the genetics, production and all the traits desired for a donor cow.

The 008S cow is the dam of one our best show heifers in 2009. This mating is to the CX Home Run 135P bull. Everybody wants Home Run embryos but only Cox Excalibur and Buffalo own the bull and semen. This mating will produce an excellent calf!

HCC Ms Heavenly 101L is a CX Powerman 307/H daughter whose dam was also a Powerman daughter. This line breeding produced 101L who is the dam of BCC's 2006 Brangus Futurity Reserve Grand Champion Bull, BCC Coleman 101R and our top 2007 show heifer, BCC Chief's Tender 01S. 101L is also the dam of our 2011 show bull, BCC NB Rocky Buffalo 101W1, a Rocky Street son. These embryos are the same mating as the Rocky Street son. He is an excellent bull.

Terms & Conditions

Except for those stated in the below terms and conditions, there are no warranties, either expressed or implied, as to the merchantability or fitness for a particular purpose with respect to the cattle being sold at this auction.

The warranties and guarantees set forth in the "Terms and Conditions" are in lieu of all other warranties, either expressed or implied, and the remedies provided therein shall be the sole and exclusive remedy of the buyer, or any party through buyer, for any breach of warranty or guarantee therein provided, and all other obligations or liabilities.

1. BIDDING

Each animal will be sold to the highest bidder without reserve. The auctioneer in charge will settle any disputes as to bids, and his decision shall be final.

2. TERMS

All terms are cash or check. Settlement must be made to the clerk at the conclusion of the auction.

3. PURCHASER'S RISK

Each animal becomes the risk of the purchaser as soon as sold, but will not be delivered until settlement has been made.

4. CERTIFICATE OF REGISTRY

When full settlement has been made, a certificate of registration will be furnished and transferred to the purchaser on those lots that are registered. Give full name and address to the secretary when making payment so the Certificate of Registry will be transferred properly.

5. HEALTH

All animals where possession is sold are eligible for interstate shipment. A health certificate will be furnished.

6. ANNOUNCEMENTS

Announcements from the auction box will take precedence over the printed matter in this catalog. All cattle will be sold by lot numbers as announced by the auctioneer.

7. BREEDING GUARANTEE

(A) All animals are guaranteed to be breeders with the exception of (1) injury or disease occurring after sale; (2) negligence or willful misconduct on the part of the purchaser. (B) Any female is considered a breeder if she is pregnant at the time of sale and/or she has a calf at side. (C) Any bull which either (1) produces viable semen; (2) settles 1/3 or more of the healthy cows he serves; (3) is the sire of 20 or more animals or; (4) settles cows by natural service and passes a fertility test made by a competent veterinarian during any six month period trial, shall be considered a breeder.

8. MAIL BIDS

Phone, mail or wire bids may be furnished in confidential form.

9. OPTIONS AND PRIVILEGES OF RETURN OR ADJUSTMENT

A. All claims for adjustment or refund must be made in writing either within six (6) months of the sale date. B. Any animal that has not proven itself a breeder within the time limits specified above, if in healthy condition, may be returned to seller at buyer's expense. The seller reserves the right and privilege of trying for a period of six (6) months to prove the animal a breeder. If proven a breeder, the animal will be returned at buyer's expense. Should the animal fail to breed, the buyer, at his option, may either demand return of the purchase price or replacement of the animal with another of equal value. C. Any animal returned must have a veterinarian's certificate that it is healthy and free of Bangs and Tuberculosis.

10. RIGHTS AND OBLIGATIONS

1. The above terms and conditions of sale shall constitute a contract between the buyer and seller of each animal and shall be equally binding upon both. 2. All persons who attend the sale do so at their own risk and the owners, nor any other person connected with the management of the sale, assume any liability, legal or otherwise, for any accidents which may occur.
